Supporting Family After a Child Dies

The Madison County Chapter of Illinois

The Compassionate Friends is an international support organization whose mission is to assist families toward the positive resolution of grief following the death of a child of any age and to provide information to help others be supportive.

Please join us next weekend to meet and greet volunteers and representatives of this wonderful organization. There will be informational handouts and bakery items for sale.

10% of the food proceeds from the weekend will be donated to The Compassionate Friends.
