

TAKE A SEAT. . .

Or a bench. . .

Or a table. . .

Or a (garden) bed (box)

TreeHouse Wildlife Center would like to extend an opportunity to give the humans a place to rest their feathers while learning about those of us perched about. Appropriate, safe and comfortable seating is a must for all aspects of our public operation — education both indoors and out. Help us attain that goal by purchasing materials, which Jersey Community High School students will be assembling. for us
