FOOTBALL

KAHOKS, WARRIORS TO PLAY 2021 SPRING SEASON IN MISSISSIPPI VALLEY

CONFERENCE: Both Collinsville and Granite City were granted one-year memberships to the Mississippi Valley Conference for football on Monday, which will allow both schools to play in the seven-game spring schedule, which was necessary when the Illinois High School Association moved football to the spring of 2021, due to the COVID-19 pandemic.

Both the Kahoks and Warriors play as independents in football, while Collinsville remains in the Southwestern Conference for all other sports, and Granite is a full-time independent. All schools are being required to play within their own regions or conferences, due to the pandemic.

The move give the MVC eight teams for the spring season, and will make scheduling for the schools that much easier with the seven-game season. The league includes Triad, Highland, Jersey, Civic Memorial, Waterloo and Mascoutah.

Originally, Granite had three schools from the Missouri side of St. Louis on its schedule, but all games had to be cancelled due to the move of football to the spring. The Missouri State High School Activities Association still plans on playing its season this fall, but will allow schools who are unable to complete their seasons to play an alternative schedule in the spring.

Spring sports practice are set to begin Feb. 15, with the season scheduled to end May 1.
