ALTON – The YWCA of Alton recognizes the importance of civic engagement. As part of YWCA USA, we know how critical it is for voters to get educated and use their voices, every day and on election day. In an effort to educate voters on Madison County candidates that will appear on ballots in November, YWCA of Alton Get Out the Vote Project is hosting a second Madison County Candidate's Forum on Saturday, October 10, 2020 from 2:00 pm to 3:30 pm at James H. Killion Park in Alton. The following candidates have been invited: candidates for Illinois House

District 111: Rep. Monica Bristow (D) and Amy Elik; candidates for County Auditor: Mayor Joe Silkwood (D) and David Michael (R); and candidates for Illinois' 12th congressional district, Rep. Mike Bost (R) and Ray Lenzi (D).

A moderator will ask questions of each candidate pair and take questions from the audience. Attendees are requested to bring their own lawn chairs or blankets. It is anticipated that this forum will be livestreamed by Riverbender.com, and that it will also be available for later viewing on the Riverbender website.

Gail Donnelly Bader, a member of the YWCA of Alton Board of Directors and a participant in the YWCA Get Out the Vote Project, said, "We had such a great turnout, both from our candidates and Madison County voters for our first voter forum on July 23, that we wanted to hold another forum before the election to give voters a chance to hear from additional candidates for office. With the restrictions caused by COVID-19, it is difficult to find a place to see and hear the candidates, to ask them questions and to hear answers to questions on issues impacting our lives. Voting is so important and attending or listening to voter forums is a good way to prepare before casting your ballot. An educated voter is more likely to participate on election day and one of our goals is to increase voter turnout in the Alton area."

This event is contingent on weather will follow state COVID-19 guidelines in effect at that time with regard to crowd size, with social distancing enforced. It is anticipated that people will be able to hear the questions and answers from Salu Street and Humbert Street as well.
