

City of Alton Animal Clinic Draws Large Crowd

April 20 2011 2:59 PM

April 20, 2011 – On Saturday, April 16th, the Alton Public Works Department and Alton Treasurer’s Office held their annual animal clinic at the Public Works Building. The Animal Clinic provided pet owners with an opportunity to have their pets vaccinated against rabies and get required animal tags and licenses from the City and Madison County.

According to the Alton Treasurer’s Office, eighty-three (83) City animal licenses were sold. Nancy Keehner, of the Alton Treasurer Office, said, “the Animal Clinic drew from Alton and the surrounding area. There was a constant stream of people waiting to have their pets vaccinated.”

Owners of dogs and cats are required to get pet licenses annually for each animal by June 1st. The licenses can be purchased at the Alton Treasurer’s Office for \$5.00 if the animal is spayed or neutered or for \$10.00 if the animal is not spayed or neutered. Proof that the animal has a current rabies inoculation must be shown when purchasing an Alton animal license.

The City of Alton Animal Clinic is held annually in the spring.
