

Blood Drive

East Alton Parks & Recreation

Date: Wednesday, August 23rd

Time: 3-6pm

Where: **Keasler Recreation Complex** (615 Third St., East Alton, IL 62024)

It's a fact. The need for blood doesn't take a vacation, dropping almost 20% during the summer months. We need you, especially now. Thus, we appreciate your willingness to host a blood drive and make a difference to patients and families in our community. While our need does not take a vacation, we would like to give your donors the opportunity to win a vacation.

Please contact me at tmiddleton@mvrbc.org or 618.444.9688. Thank you for your help!

All presenting donors will be automatically entered to win
a vacation package! (\$2500 value)
