Definition of Homeless Children and Youth

The term "homeless children and youth," refers to individuals who lack a fixed, regular and adequate nighttime residence.

Under the law a child may qualify as homeless if he/she is:

- Living in an emergency shelter, domestic violence shelter, or transitional housing;
- Living in a motel, hotel, trailer park, or campground, were abandoned in a hospital, or are awaiting foster care placement;
- Living in a car, park, public place, bus or train station, abandoned building, or other structure not meant for housing;
- Doubled up with relatives or friends due to a loss of housing, economic hardship, or a similar reason.
- Children who are not living with a parent or legal guardian may be considered a homeless, unaccompanied youth if their living situation meets one of the four definitions listed above.
