People Power: Democracy & Active Citizenship will give citizens the confidence and tools they need to take an active role in their democracy. Through active citizenship, citizens can help usher in positive change via political actions and legislation.

This workshop will provide a brief U.S. government crash course and offer concrete steps for how citizens can maintain communication with their legislators and apply political pressure when needed.

This event is brought to you by the Sierra Club Piasa Palisades group and the Metro East Green Alliance. For more info, contact elizabeth.scraftford@sierraclub.org or (208) 818-4626.
