

## Our mission:

Beverly Farm Foundation is a loving, caring home for adults with developmental disabilities, providing each individual with physical and emotional security and a dignified quality of life, with opportunities and challenges, within each individual's functional capabilities.

Our families come from 48 of our 50 states. The men and women at Beverly Farm are continually challenged and supported every step of their way to live their best lives. At Beverly Farm, abilities may determine the type or level of participation but not the opportunities. Life is filled with activities, friends, fresh air, exercise, and support.

# Beverly Farm's Diamonds & Denim

**Beverly Farm's Diamonds & Denim** is a community-driven event, the proceeds of which will support our recreational program that includes Special Olympics, Equestrian, aquatics, and art programs for the benefit of people who live with intellectual or developmental disabilities. After last year's sold out event we are even more excited to have people throughout the region join us for a night of food, drinks, dancing, and fun!
