

# HUMILITY THAT "OVERCOMES THE WORLD"

## A live web-talk on Christian Science

Learning to follow the example of Christ Jesus, particularly his profound display of humility, can empower each one of us to heal and to overcome the difficult problems and injustices that we face. There is great need for healing in the world today, and Christ-like humility can help us to meet that demand.

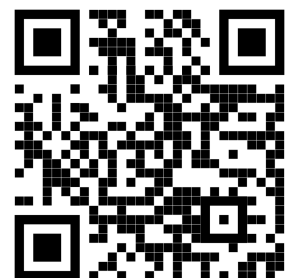

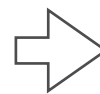

**Mark McCurties** is a member of the Christian Science Board of Lectureship

**Thursday, April 8, 7:30pm CDT**

**Live on Zoom**
