La Vista is a community supported agriculture (CSA) farm located on the Oblate Novitiate grounds in Godfrey.

We grow 65 varieties of vegetables, fruits and herbs over a 27-week season starting in mid-May using sustainable and organic practices.

Weekly shares (\$550) and alternate weekly (\$300) shares are available and can be paid in installments.

A percentage of shares are offered at substantially reduced cost to low-income families and individuals. Surplus produce is donated to the Crisis Food Pantry each week.
