“Over 3 Decades of Giving Back to the Wild”

Nature Nuts is for children, ages 3 to 5, who love to explore in the Great Outdoors.

All **Nature Nuts** must pre-register and be accompanied by an adult.

Each session includes an outdoor activity, a story, a themed craft and a snack. The fee is \$5.00 per child.

Morning Session – 9:30 to 11:00 a.m.

Afternoon Session - 12: 30 to 2:00 p.m.

Please dress your child for the weather, as we will spend some time outside each month.

JANUARY 15, 2013 “Clouds In A Jar”

Everyone loves cloud watching and now we are going to take a closer look by making our own clouds in a jar! We will also be making our own rain sticks and having a ‘cloud’ snack!

FEBRUARY 19, 2013 “Hibernation”

What is hibernation and why do animals hibernate? We will be discussing how these particular animals prepare for winter and where they make their bed. We will stay warm and cozy inside with a story and snack!

MARCH 19, 2013 “Make Your Own Bugs”

What gives you the creepy crawlies? We will learn about insects on our outdoor walk and even make our own ‘bug-a-licious’ snack!

APRIL 16, 2013 “Nature Paint”

As Earth Day approaches, we will be making nature paint to explore the colors and textures of nature. We plan to get a little messy and explore outdoors. Prepare yourself for a tasty and ‘recyclable’ Earth Day snack!

MAY 21, 2013 “The Listening Walk”

Stop for a minute and just listen. What do you hear? Everyone put on your tennis shoes and bring your listening ears because we are going on a listening walk! Afterwards, we will enjoy a ‘sensory’ snack.

**HERE COMES SUMMER! NOW OFFERING JUNE AND JULY
NATURE NUTS PROGRAMS! MORNING AND AFTERNOON SESSIONS
