

Survivors of Suicide

A Bereavement Support Group for Women Affected by the Loss of Someone by Suicide

Grieving the loss of a loved one or friend to suicide is so intense, unique and complicated. Our group provides a safe place for women in our community who have experienced such a tragic loss to share their thoughts and feelings with others suffering from a suicide loss in a supportive environment.

(While faith often plays a role in the healing of many, this group is not affiliated with any particular religious belief.)

Participants must be at least 18 years of age and a survivor of suicide. Whether your loss is recent or occurred many years ago, all survivors are welcome.
