

THE TASTE IN FERGUSON

A FUNDRAISER FOR THE ROBBIE MCGARTLAND/ SAMANTHA LIPKA MEMORIAL SCHOLARSHIP FUND

Sunday, June 30th from 3-6 p.m. at the Savoy Banquet Center

About Us & Our Event:

We are excited to announce a new community event we are hosting in our city of Ferguson called *The Taste In Ferguson* on Sunday, June 30th from 3-6 p.m. at the Savoy Banquet Center. This will be a food tasting, beer and wine sampling, and a "taste of art" event. Many local restaurants and businesses from Ferguson and surrounding communities will be serving up delicious samples of their favorite menu items or specialty dish to entice your appetite. Several establishments will provide samples of their own brewed beer and wine to delight your palate. Local artists will be painting during the event to stimulate your love for the arts. This is **fun** family event for all ages, with special activities for kids.

The Taste In Ferguson is a fundraising event inspired by the McGartland and Lipka families. All proceeds will go towards the Robbie McGartland & Samantha Lipka Memorial Scholarship Fund.

Robert W. McGartland

Robbie's life was cut short at the age of 20. The McGartland Family wants to keep his memory alive in a special way by providing scholarships to students of Blessed Teresa of Calcutta School

Samantha Christeen Lipka

Samantha passed away at the age of 17 in a car accident. In honor of her dream of going to college, the Lipka Family set up a scholarship fund for high school seniors in the Ferguson-Florissant School District.

The McGartland and Lipka families are honored to bring about The Taste In Ferguson.
