We will be accepting **30 people to deliver meals** and the **first 35 people** to help prepare the meal. (No children under age 13 will be allowed in the food preparation area)

You must choose one or the other.

Please leave your name, phone number and the number of people who are coming that day.

- Those who sign up to deliver meals need to arrive at Community Hope Center at 9:45 am. We suggest you bring an ice chest or heavy CLEAN towel to keep food warm.
- Those who sign up to help prepare meals for carry-out should arrive at 10 am.

No other volunteer opportunities will be available that day. You must register ahead of time.

No walk-in volunteers will be accepted so that we can ensure that everyone who registered will have a job that day.
