## Beach Blanket Bistro

— bring the beach home with you

We all long for the laid back beach lifestyle. Who doesn't long for the tropical scents, flavors and scenery? Wouldn't you like to bring those home with you?

Beach Blanket Bistro is a way for you to bring home the tropical beach as well as to share it with friends and family. This book includes flavors from Latin America and the Caribbean combined in simple easy to follow recipes that can be made in any kitchen.

And it's not only these recipes that set the mood for relaxation, this book includes vivid, full color photos of some of these dishes and the scenic locations that inspired them.

Enjoy.
