Brad Korte, 56, passed away peacefully in his sleep Tuesday morning. He was a loving son, husband, father, brother and friend. Brad was born in Alton to the late Dolores Korte and Harold Korte of Godfrey. His step mother, Margaret and Harold raised him in their family home in Godfrey. He was an alumni of Marquette High School and went on to serve his country in the Air Force. He earned his bachelor degree in Science Aeronautical Engineering from St. Louis University and completed a dual Master's degree: Science in Management of Technology and Engineering Management from Washington University. He enjoyed coaching his sons in soccer, playing baseball and enjoyed watching the St. Louis Cardinal and the Blues win. He was a Cowboy fan and he believed they were an all American team; and we won't hold that against him. He was a master dive man and his ashes will remain memorized as part of the coral reef. Along with two grandsons, Keagan Korte and Kaden Williams along with his third grandson (Jaxton Korte) that is expected to arrive in July.
