Amy June Wallace, 47, passed away peacefully, surrounded by family Wednesday, January 3, 2024 at St. Louis University Hospital.

She had been employed as a server at the Pasta House Restaurant in Edwardsville where she was a customer favorite.

Amy was truly one of a kind. In life, she was a beautiful, resilient, hilarious, and fierce woman who loved, and was loved, deeply. Those that knew her well, knew that she was also one hell of a fighter and when anyone else would have broke, Amy would have stayed strong. As a mother, daughter, sister, fiancé, and friend, her absence leaves a profound void filled with echoes of her laughter and cherished memories. Amy will be missed terribly by those who experienced her depth of love.

A Celebration of Life Memorial Visitation will be held from 4-8 pm, Monday, January 8 at Marks Mortuary in Wood River.
