To my Honey, Carol... I love you a bushel & a peck- a hug around the neck. My wife of 23 years, you have survived with me for the last six years on my illness. You have gone through 0 minute with me, the treatments, running errands, being my care giver, and number one supporter. We laughed, cried, danced and dinned. The last thing at night was a kiss and a "sleep tight".

Home again- home againg, jiggety jig.

Love you guys. (Thumbs up symbol, Like put in the paper with sound off)
