He put His arms around you and lifted you to rest, God's garden must be beautiful, He always takes the best. He knew that you were tired, He knew you were in pain, He knew that you would never get well on earth again. He knew the road was getting rough and the hills were hard to climb, so he closed your weary eyelids and whispered "Peace Be Thine." It breaks our hearts to lose you but you didn't go alone. For part of us went with you, the day God called you home.
