**Alton | Monday, September 24 2012**

Beloved wife of Arthur, mother of Richard, Victoria, Steve, and Peter. Grandmother of Erik, Micheal, Vanessa, and Ciera. Burlene left us Monday night peacefully in her own home. She proudly owned and operated a salon in that home for thirty years. Where over those years she touched so many Her constant advocacy for animals was well known. Beyond her capacity to love Gods greatest gift were the hands she tended his soil with. The constant beautification of the property was recognized many times. She would like to thank all the friends she has had the pleasure to meet. You have all added to her experience. Thinking of flowers, she would say "dogs can't eat flowers" 5 A 's Please.
